VOLUNTEER

AT THE VISITOR CENTRE
IN THE FIELD OF MARS RESERVE AND WILDLIFE REFUGE,
Pittwater Road, Gladesville.

THE CENTRE IS STAFFED ON WEEKENDS AND PUBLIC HOLIDAYS BY MEMBERS OF THE RYDE – HUNTERS HILL FLORA AND FAUNA PRESERVATION SOCIETY (WHICH YOU WOULD JOIN).

The Visitor Centre has displays on the Reserve and local wildlife. We give out maps and leaflets to help visitors enjoy and appreciate this bushland gem. Occasionally we hold events such as themed bushwalks or talks by experts on environmental topics. Volunteers need no special knowledge! All relevant information is available at the Centre. Orientation sessions are provided for new volunteers. Most team members choose to do one or two four-hour shifts per month, at dates and times to suit their availability.
